

ERRATA 2026

The Bowden Counter Clause: All Counters with Target Numbers of 6 or 7 instead of rolling against the Attack Roll (for example Turn of the Zhen Bird or Horizontal Sidestep) should use TN 8 and must be used cathartically.

Page 179, there should not be a Muscle requirement for Rope Dart. It says “3” in the table. This is an error.

Page 108: Reclining stick stance. Skill should include “Light Melee”

Page 108: Lurking Spider Stance, skill should be Athletics, not Stealth.

112: Deep Biting Blade. Math wrong in example for Cathartic effect. Hardiness 2 should be Hardiness 1.

Page 159: Celestial Mind Technique. The body Text should explain that it is TN 10 to become an immortal but TN 6 to use the ability to heal
